Sixty-Seven Year Old Accounting Firm Has New Owners

Green Bay, WI - December 19, 2008 – Van Dreel Business & Tax Consulting LLC announces the purchase of Evans & Race Co. CPA firm as of September 16, 2008. The newly combined entity, now called Evans Race & Van Dreel CPAs, has decades of experience and six CPAs to serve their clients. The new owners, Gail M. Van Dreel and Brian G. Van Dreel, are husband and wife CPAs with over 17 years of accounting experience ranging from advising single-owner clients to Fortune 500 companies. This, in conjunction with Gail's experience in technology and supply chain forecasting and Brian's experience as a long-time entrepreneur, has given them a complete vision to share.

Evans and Race Co. was founded in 1941 by John Evans and Lincoln Race. Prior to the sale the firm was owned and managed by Robert Fahres, Leroy Bruechert and Neal Van Ess. The former owners, plus their accounting and support staff, will become part of the new company to provide a smooth transition and continued service to their clients. Evans Race & Van Dreel CPAs welcomes the public to meet the new owners and view the offices at 425 S. Adams Street and 2330 Riverside Drive in Green Bay.

Gary Van Sistine, licensed associate with Creative Business Brokers of Green Bay, facilitated the sale.

Creative Business Brokers has specialized in the sale of businesses and business properties since 1979.
